

Community Educational Involvement Meeting

Warren CommunityPTA will be holding a meeting with concerned parents/residents on **Thursday, Jan. 28th at 6pm.**

The meeting will be held at
The Aetna Freight Lines Bldg,
2507 Youngstown Rd SE
(at the corner of Kenmore and Youngstown Rd).

This meeting is being set for membership participation in the PTA, to help empower and assist parents, and to discuss a recent article in The Youngstown Vindicator.

The Youngstown Vindicator did a comparison of Canfield and Warren Schools.

In their January 5, 2010 article it said that,
“Canfield rates at the top of almost all (state) measures; Warren’s at the bottom,”.

The article attributed Canfield’s success to
“(student’s) high attendance rates and the parents’ participation, “.
(see article on the back)

These are OUR children and OUR future.
If we as parents, grandparents, family members,
and residents don’t stand up and demand a change, nothing ever will.
