The City of Warren, Electrical Inspector will need access to the interior of the home. An adult person shall be available the day of the inspection to allow access to the electrical service panel area.

Reconnect Inspections are typically done on Monday's and Wednesday's. Approximately 9:30 a.m.-4:00 p.m.

The inspector will contact the authorized person with an approximate day and time when to be available.

### Access Contact

Authorized Adult Person: \_\_\_\_\_ Phone No: \_\_\_\_\_

First and Last Name

It is the responsibility of the applicant to ensure that the electrical service panel and meter socket is free from violations prior to the inspection. Important Note: The utility provider requires a horn bypass type meter socket.

A re-inspection fee equal to the initial inspection fee shall apply and made payable to The City of Warren before the electrical inspector can return to inspect the corrections if the electrical service is not in compliance with the National Electrical Code and the Utility Providers requirements.

**INSPECTION FEES:** Please make check or money order payable to: City of Warren (No cash will be accepted)

**Residential** - per meter: \$50.50

**Commercial** - per meter: \$56.65

Multiple unit apartment buildings with more than three dwelling units are considered commercial, unless each dwelling unit has an independent means of egress door directly to the exterior of the building.

Do not forget to enclose this application completed in its entirety and the inspection fee check or money order when mailing in this application.
