

NEIGHBORHOOD CLEAN UP

Two weeks prior to planning a neighborhood clean up, please contact the Environmental Services Department to check the availability of roll-off boxes or schedule a special road side pick up.

Environmental Services Department

613 Main Ave SW

330-841-2561 ext. 5

- * Roll-off containers available in: 10, 15, and 20 yard sizes.
- * Tires must be kept separate from other waste, and be delivered to the department lot between April 1 and October 31 only.
- * Special arrangements can be made to address areas with large quantities of tires.
- * No hazardous materials of any kind will be accepted.
- * Mattresses and box springs do not need wrapped if placing in a roll-off.
- * Appliances and large metal items can be delivered to the department lot or picked up upon request.
