

CUSTOM REFUSE COLLECTION

THE SMART MOVE

As a business owner, you know that keeping your costs at a minimum is the best way to maximize profits.

- Fixed cost.
- Collection containers sized to your needs.
- Competitive pricing.
- Refuse collected when you need it collected.
- Extra collections available every week or just when you need it.
- Roll-off service available when you need it.

The combination of these features is what allows us to customize your service.

COMMERCIAL DUMPSTERS

Available in sizes ranging from two to eight yards, a good option for:

- Office buildings
- Restaurants
- Apartment/residential properties
- Healthcare facilities
- All commercial businesses

ROLL-OFF BOXES

Available in sizes ranging from ten to twenty yards, a good option for:

- Construction companies
- Large retailers
- Renovation projects
- Land debris clearing and removal
- Individual manufacturers
- Festivals and large events

NO CONTRACT

We believe you will continue to do business with us because **it is the best service and value for your dollar**, not because we locked you into a contract.

- No long or short term contracts
- Adjust services to your needs

With flexible service from a dedicated and motivated local provider, you can rest assured that as your needs change so will your refuse service.
