MARGARET M. SCOTT
CLERK OF COURT

2020 JR 28

Jurisdiction and Organization

The Warren Municipal Court operates under the rule of law to assure that the court and the protections of the law are open to all people. The court is a limited jurisdiction court of record whose purpose is to apply the law to specific controversies brought before it, and to resolve disputes between people and other legal entities

On August 25, 1800 the first Court was held in Warren. It convened in Ephraim Quinby's com crib, which stood on Main Street, near what is now the Erie Railroad crossing. The chief accomplishment of the Court, said to be the first formal governmental agency to be established in the Western Reserve, was the appointment of a committee to select a place for the jail. The Southwest room in Ephraim Quinby's log house was chosen, temporarily; and Quinby, a founder of the town, became the town's first jailer.

The court was created in 1913 by the Ohio State Legislature, and has a geographic jurisdiction in the City of Warren, Warren Township, Howland Township and Champion Township. The court has jurisdiction over a violation of any ordinance of the City of Warren; and State of Ohio statutory misdemeanor and traffic violations committed within its jurisdiction, and to preside over preliminary hearings for felony cases that occur within its jurisdiction. Jurisdiction also includes civil cases where the amount in dispute is \$15,000 or less and for small claims cases when the claim is \$6,000 or less. The Warren Municipal Court has two full time judges, each elected on a nonpartisan ballot to serve a six year term of office. Judges must be attorneys, must live within the Court's jurisdiction and are required to be licensed to practice law for a minimum of six years prior to becoming a judge. Yearly, the judges elect a Presiding Judge and Administrative Judge. All judges have been sworn to administer justice and to ensure that the proceedings before them are conducted in an equitable and impartial manner.

The Warren Municipal Court has two elected judges, with each judge having a personal office staff consisting of a bailiff and court reporter or secretary. The judge's personal staff assists in the daily operations of both their office and the court docket.

The Court employees a full time Magistrate/Court Administrator that provides support judicial services to the two elected judges of the Warren Municipal Court. The Magistrate presides over the following: all forcible entry and detainer matters, unless a trial by jury has been requested; all small claims cases; post judgment debtor's examinations and garnishment/attachment hearings; rent escrow application cases; and other civil cases and damages hearings. The Magistrate also acts as Acting Judge when the Judges are on vacation. As Court Administrator, the office provides a number of management and administrative functions to facilitate the operation of the court. Administrative and management support and assistance is provided to the judges and staff for the development and implementation of court policies, procedures and programs.

The Clerk of Court's Office is the repository of the public records for the Warren Municipal Court operation. The Clerk, her management staff and a staff of 13 Deputy Clerks ensure that the tasks of the office, as set forth in the Ohio Revised Code, are adhered to and carried out. Established administrative functions and legal processes make certain that the municipal court case documentation is recorded and maintained appropriately.

The Clerk of the Warren Municipal Court is an appointed position. The office records all case documentation filings and receipts, then disburses funds according to the orders and directive of the Court and according to law. Office hours for the Clerk of Court are 8:00 a.m. to 4:00 p.m. Monday through Friday, excluding holidays, for the acceptance of case filings and payments.

PURSUANT TO ORC 1901.26, THE COURT DECLARED A SURPLUS IN THE SPECIAL PROJECTS ACCOUNT, AND FURTHER DETERMINED THAT THERE WAS A NEED FOR THE REHABILITATION OF THE EXISTING FACILITY. BETWEEN 2018 AND 2019, THE MUNICIPAL COURT PURCHASED A NEW CHILLER SYSTEM FOR THE MUNICIPAL JUSTICE CENTER FOR THE SUM OF \$188,230.00. THE COURT PURCHASED THIS SYSTEM FROM JOHNSON CONTROLS IN ACCORDANCE WITH NJPA CONTRACT #030817. THE COURT FURTHER PAID FOR EXTENSIVE REPAIRS FOR THE BOILER SYSTEM. THE COURT ALSO ENTERED INTO A THREE YEAR MAINTENANCE AGREEMENT TO PROVIDE SERVICE ON ALL HEATING AND COOLING FOR THE JUSTICE CENTER. FURTHERMORE, THE COURT PURCHASED A NEW TRANSPORT VAN FROM THE PROBATION ACCOUNT FOR PRISONER TRANSPORT.

Department of Probation Services

Probation (community control) is a sentence option available to the Court where the offender's jail sentence is suspended on the condition the offender remains law abiding. Those offenders placed on probation are informed of the requirements and are ordered to meet regularly with a probation officer. To ensure compliance, the probation officer monitors the offender regularly, and verifies completion of all conditions ordered by the Court.

PROBATION SERVICES

The Warren Municipal Court Probation Department supports the judicial process with many functions and has expanded a working relationship with several community services agencies to enhance Court access. The Court's Probation Department coordinates its work with community resource agencies that provide many of the services required by Court order. The department's current primary role is to provide post-sentence services, primarily monitoring individuals who have been placed on probation by the Court. A \$10.00 probation fee is charged every month for each person placed on reporting probation pursuant to ORC 2951.02.1. The Probation Department works closely with the Court's specialty dockets, including Domestic Violence Court by screening, monitoring and reporting to the Court. In 2017 the court opened 1,562 probation cases and closed 1,430 cases.

Trumbull Neighborhood Partnership (TNP) continues to operate a Court Ordered Community Service program in partnership with the Warren Municipal Court and the Trumbull County Land Bank through the Probation Department. The Warren Municipal Court budgeted \$30,000.00 to help fund this program through probation revenue in 2019. We look forward to working with TNP and helping them in their efforts to build a better Warren.

Warren Municipal Court Probation Department

The primary goal and mission of probation is to reduce recidivism. Per the American Probation and Parole Association, this is accomplished by: assisting the courts in decision-making through the probation report and in the enforcement of court orders; providing services and programs that afford opportunities for offenders to become more law-abiding; providing and cooperating in programs and activities for the prevention of crime and delinquency; and furthering the administration of fair and individualized justice. The Warren Municipal Court Probation Department is tasked with supervising individuals placed on probation, as well as those under pretrial court orders. Continue reading for further information on the responsibilities of the probation department.

Linkage:

In many cases, the Judge will issue what the court refers to as a “Linkage Order”. This order mandates the defendant or probationer to be assessed for any possible concerns over mental health, behavioral health, and / or substance use. The probation department is tasked with “linking” the individual with one of the many local service agencies in our community for treatment purposes, monitoring to ensure that the individual satisfies all treatment recommendations, then reporting to the court on the defendant’s progress. This includes referrals to Driver Intervention Programs (DIP).

There were approximately **645 Linkage Orders** and **213 DIP Orders** issued in 2019.

Medication Assisted Treatment (MAT) Court:

Warren Municipal Court has partnered with Meridian Healthcare and Treatment Accountability for Safer Communities (TASC), a division of Meridian, to provide Medication Assisted Treatment (MAT) services to offenders being processed through our court who experience addiction to opioids. MAT combines counseling and medication to treat said addiction. Participants follow a specialized case plan which includes MAT services, case management, counseling, increased supervision, random drug screens, and regular review hearings in front of the Judge.

**Warren Municipal Court
Probation Department**
