To whom it may concern,

As of 01/01/2023 there will be some changes to our backflow program.

- 1) We will need all paperwork to be completely filled out and legible.
- 2) We will be requiring all service providers (testers) to fill out maintenance tag and attach it to the backflow device.
- 3) We will require a photo of the backflow tags and backflow to be submitted with the backflow test to maston@warren.org

Thank you for your cooperation on this matter. If there are any questions please contact Isaac Aston at maston@warren.org.

Sincerely,

Isaac Aston
